Action taken Report of IQAC MEETING

Various plans and projects of the institution for the better education and cultural activities for the universal growth of the students were arranged during the year. Regular tests, evaluations of all the subjects were done, students are encouraged for the co-curricular activities. The sports – events are emphasized and students are motivated to participate in sports at college level and university levels as well. The career guidance classes and remedial courses were to be arranged for the students.

The Principal, the co-ordinator and the members of the IQAC committee were presented and agreed to the above matters unanimously.

IQAC MEETING

Today we held a meeting of IQAC to discuss about the different activities of the college performed during the year. The IQAC continuously observes all the activities being done in the institution and tries to improve them constantly. The students who secured high ranks in University exams as well as institutional activities and events will be given certificates as well as cash prize.

The Principal, the co-ordinator and the members of the IQAC committee were present and agreed to the above matters unanimously.
